

**DC Health Care Alliance provides health care services through health plans. All DC Health Care Alliance health plans must cover basic health care services. These services include:**

- |                              |  |  |
|------------------------------|--|--|
| ❖ Doctor visits and checkups | ❖ Behavioral Health Services                       | ❖ Health Check Well Child Visits                 |
| ❖ Emergency Services         | ❖ X-ray and Lab services                           | ❖ Immunizations                                  |
| ❖ Hospital Services          | ❖ Language Translation and Interpretation Services | ❖ Non-Emergency Transportation                   |
| ❖ Urgent Care Services       | ❖ Dental Services                                  | ❖ Care Coordination and Case Management Services |
| ❖ Prescription drugs         | ❖ Maternal Services                                | ❖ Family Planning Services                       |

Each health plan also offers extra services, called value-added services. The chart below shows the extra services each plan offers. Look at the chart to see the health plan that will best meet your needs.
